living room with kitchen, dining area, and access to a beautiful terrace and garden with views of Lake Lipno follows. The attic offers two bedrooms, a bathroom, and a storage room.

#### FEATURES & EQUIPMENT

The project design emphasizes above-standard equipment, including a wooden gable façade, private parking space, large glazed portals, wood-burning stove, and preparation for a solar power plant. The house is also designed with smart home technologies integrated into a central system, allowing remote control of access and security, as well as optimization of electric heating and lighting.

#### VISION LIPNO RESORT

This is a unique and attractive resort targeting all visitor groups, with the potential to become the top leisure destination at Lake Lipno. Available facilities will include a reception, beach bar, and other services. The site will also feature a natural sandy beach, marina with 39 boat slips, children's playground, and areas for activities such as pétanque, disc golf, and more. A rental and facility management team will be in place to ensure full service, including snow removal, lawn mowing, and resort maintenance. Other plots, apartments, and row houses are also available for sale.

#### LOCATION

The Kovářov Peninsula, overlooking the largest water surface in the Czech Republic and located in the heart of the Šumava region, is attractive in every season. In spring and autumn, ideal for hiking, nature trips, or cycling. Summer welcomes water sports lovers – swimming, yachting, surfing, kiting, or sport fishing. Winter offers nearly 12 km of ski slopes, a ski and snowboard school, a renowned snowpark, cross-country trails, and a children's ski playground.

Secure your new plot for a family residence in a top private location by the water, surrounded by nature. We offer exclusive year-round maintenance and full rental management during your absence.
